MOTION IN FULFILLMENT OF ORDER AND SHOW CAUSE FOR NON-DISMISSION

Appears today, May 23, 2022, before UNITED STATES COURT OF APPEALS FOR
THE FIRST CIRCUIT, in Boston, Massachusetts (hereinafter First Circuit Court), the Claimant-
Appellant Maira Ivett Feliciano Rosado (hereinafter Ms. Feliciano-Rosado) in the case with the
assigned No. 22-1193 (Case No. 17-03283-LTS9 United States District Court for The District of

Puerto Rico, and NOTICED APPEAL (No. 20358) in Title III case No. 3:17-bk-03283-LTS (D.P.R.), as an individual creditor or holder of the claim #179662, and having obtained an unfavorable ruling in terms of the "Asserted Claim Amount" UNDETERMINED (with \$ 0.00) (Docket Entry No. 20359 in Case 17-3283), by a decision of the Honorable Laura Taylor Swain, in The United States District Court for the District of Puerto Rico (hereinafter Federal Court), and the Financial Oversight and Management Board for Puerto Rico (hereinafter Board), which was created to assume the representation of the Government of the Commonwealth of Puerto Rico in accordance with Section 315 of the Oversight, Management, and Economic Stability Act of 2016, Public Law 114-187, better known as «**PROMESA**», 48 U.S.C. § 2101 et seq (2016), with its Lawyers (hereinafter those who hold jurisdiction over PROMISE).

1. It should be noted that the Claimant-Appellant party is composed of Ms. Feliciano-Rosado and her son, the minor L.A.R.F., aka [REDACTED] now from 17 years old, his only son, and his only wealth and life expectancy (hereinafter Claimant-Appellant party). As a matter of fact, Mrs. Feliciano Rosado is in early retirement due to disability not related to employment under the Puerto Rico Teachers Retirement System (S.R.M.), by virtue of her work as a School Counselor in a secondary school of the Department of Education (D.E.) (for its acronym in Spanish), is an attorney (although her title has not yet been revalidated), is a resident of the Town of Mayagüez, Puerto Rico, and appears before the 1st Circuit on behalf of the minor L.A.R.F.; both believers of the doctrines of the Seventh-day (7th) Adventist Church as Sabbath-Keepers.

FORGIVE ME if I do not know how to address myself correctly before this honorable First Circuit Court, since I have no experience in litigation. But I am experienced in brokenness, and I have nowhere to go! Nor is it my intention to disrespect judges or attack their authority, but the abuse of power. We also do not consider that we have challenged the Board with recklessness and arrogance. (Orders of 1st Circuit Court dated May 11, 2022 with postmarked by the United States Post Office, dated May 11, 2022, p. 14, 18). But we are convinced that the Board, appointed by the U.S. Congress, is the only one with the power to put «**JUDICIAL CORRUPTION**» in check, freeing the judicial system from the mafia groups that hold it hostage under a "Reign of Terror" and, in effect, impacting the quality of life of Puerto Ricans.

A. SHOW CAUSE FOR NOT DISMISSAL:

2. The Claimant-Appellant party appears, through Mrs. Feliciano Rosado, TO SHOW CAUSE, in writing, why this appeal should not be dismissed for lack of jurisdiction, pursuant to the Fed. Application R. P. 42(b), in compliance of the order of court of May 11, 2022, Pursuant to 1st Cir. R.27.0(d). Thus, the reasons why this 1st Circuit should not dismiss the case for lack of jurisdiction are the following:
 - a. In her ruling, Judge Laura Taylor Swain gave a brief review of what happened there with respect to this case, and we quote her words *ad verbatim*:

"Ms. Maira I. Feliciano Rosado's Proof of Claim form asserts that her claim is entitled to administrative priority pursuant to 11 U.S.C. Secc. 503 (b)(9) and is secured in whole or in part by a lien on property. At the February 16, 2022, hearing concerning the Debtor's objections to certain proofs of claim, the Court made the following ruling concerning the proof of claim filed by Ms. Feliciano Rosado:

I have reviewed the written submission and listened very carefully to everything that has been said today. I am terribly sorry to hear what Ms. Feliciano-Rosado has been going through, and her concerns about her son, and the custody matters, and the treatment of the child-custody payments. Those are not matters that are properly before the Court today. What is before the Court today is the question of whether the claim that Mr. Maira I. Feliciano Rosado has filed in these Title III proceeding is entitled to priority payment classification, either because it concerns a sale of goods to the Commonwealth within a certain period of time, or because it is backed by security, money, or property set aside to pay that claim specially. Neither of those necessary facts is established with respect to this claim. Therefore, the Court sustains the 362nd Omnibus Objection as to claim no. 10547 filed Maira I. Feliciano-Rosado. That claim is reclassified as a general unsecured claim, and it will be considered and evaluated for payment and validity along with other general unsecured claims". (See Annexes of 2022, Order dated March 24, 2022, pp. 7-9).

We are of the opinion that Judge Taylor-Swain's summary of the case has the effect of a TRANSCRIPT of the February 16, 2022 hearing (See Annexes 2022, Copy of pages 1 and 6 of the "Notice of Agenda of Matters Scheduled For The Hearing on February 16-17, 2022 At 9:30 A.M. AST", p. 5-7), and for which Ms. Feliciano-Rosado seeks appeal to the 1st Circuit in Boston.

- b. On the other hand, and having obtained unfavorable determinations from those who have jurisdiction over PROMESA, by qualifying their claim INDETERMINATE and, consequently, assigning it an "Amount of the Affirmed Claim" of \$0.00, under Entry No. 20359, in File 17- 3283, box titled "If Your Claim Is Listed Here, One or More Debtors Are Seeking to Deny Your Request for the Reason Stated Below", it was expected that Ms. Feliciano-Rosado would conclude that her claim had been dismissed. (See Annexes 2022, Table Entitled "If Your Claim is Listed Here, One or More of the Debtors are Seeking to Disallow Your Claim for the Reason Listed Below", pp. 4-7).
- c. Adding to the above, *I do not consider myself a BAD FAITH LITIGANT under 28 U.S.C., Sec. 1915(a)(3), *DuLaurance v. Telogen*, No. 15-1537, 2016 WL 10454553, at *1 (1st Cir. Nov. 30, 2016) (Good faith for purpose of Sec. 1915(a) (3) is judged by and objective standard, i.e., whether the litigant "seek appellate review of any issue not frivolous") (See Annexes 2022, Order Concerning Application Filed by Maira I. Feliciano Rosado, March 24, 2022, p. 8(b)). There is no bad faith on my part. However, since I filed the Notice Appeal on March 15, 2022, in the District Court, suddenly and surprisingly, I was ordered to translate the Reply into English that I filed on May 2, 2022 as a sine qua non requirement for its adjudication (See Exhibits 2022, "The Motion is denied without prejudice to renewal in English dated May 5, 2011, without dateline and postmarked by the United States Post Office", dated May 5, 2022, p 10). This fact is worrying since PROMESA created an *ad hoc* rule of law that allows the parties, among other advantages, to have access to each of the federal court notices in both Spanish and English, which means that their respective responses be drafted in

the native language of the parties. Furthermore, PROMESA notices and motions are drafted in both languages. Since 2018, Ms. Feliciano-Rosado presented her replies and motions, with her voluminous annexes, in the Spanish language.

- d. Certainly, it is not frivolous to fight for a child. It is not bad faith to knock on the door of the 1st Circuit Court in Boston to PRAY for his RELEASE. Maxime when he is the only child this mother has managed to have, and she has been arbitrarily deprived of her love, affection and companionship for the past 10 years. My son needs me! It is a truth that I feel in my maternal heart. I know he silently suffers from his captivity, but no one seems to care.
- e. Put to the sack, the Claimant-Appellant Feliciano was denied the exemption of the payment of \$505.00, notwithstanding his economic inability to cover the costs associated with an appeal litigation, due to not having recurring income. (See Annexes 2021, Tax Year 2021, p. 36; See Annexes 2022, March 2022 Check Stub, pages 37, and 37(b)). In addition, due to their economic condition, requiring the Complaint-Appellant to liquidate their few assets to file their claim would be excessively onerous and contrary to the principle of access to justice. The fact that he wants to exercise his real right to appeal does not imply that he has the financial capacity to file the fees and initiate his cause of action. *Board of Regents v. Roth*, 408 U.S. 564 (1972). Consequently, we request that Mrs. Feliciano Rosado be allowed to proceed with her cause of action without paying the amount in question.
- f. It was not until May 19, 2022, that the Judge Taylor-Swain determined the following:
ORDERED that this Order resolves Docket Entry No. 20490 in Case No. 17-3283; and it is further ORDERED that this Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Order. (See 2022, pages 33). (See Anejos 2022, Four Hundred Thirty-Fifth Omnibus Objection, Exhibit A-Claims to Be Disallowed, subsection 2, p. 33).

The crucial objective of this OBJECTION is to GIVE VOICE, as a CRY FOR HELP!, to the young-adolescent LEO, who, under the particular circumstances of this case, is still a victim of the serious crimes of KIDNAPPING AND ENFORCED DISAPPEARANCE (2011-2022) NOT recognized by the State, which a priori denies it justice, and without anyone giving a damn. Especially when the silent and invisible captivity of the minor, added to the violence and reprisals that are exercised against the mother-complainant persecuted and imprisoned two (2) times, being innocent, as a result of acts related to corruption in the E.L.A. Government, in the exercise of their judicial prerogative, which not only negatively impact the country's economy, but also create a new aspect of "CHILD EXPLOITATION" for "TRAFFICKING" in "CONSUMER SALES", with children as merchandise, which requires a solution urgent, although the BOARD, failing that, is not the appropriate forum.

B. FRAMING THE CASE IN PROMISE:

3. The previous decisions of those who have jurisdiction over PROMESA certainly have the effect of dismissing the case at hand. Reason for which the Plaintiff appealed to the 1st Circuit in Boston (See Annexes 2022, Transcript Report, p. 1), by filing a Notice of Appeal in the Federal District Court of Puerto Rico, on March 15, 2022. *Next, more grounds will be given for the reasons why this appeal forum should not dismiss this cause:

a. Sec. 205- Which is why the Claimant-Appellant part draws the attention of the Federal Court to Title II. Board Responsibility, Sec. 205, of the PROMESA, since it authorizes the Board, subject to its total discretion, to intervene in "the effects of the laws and judicial orders of the territory in the operations of the territorial government." Among other things, the Board has the inherent POWER to intervene in cases that are unrelated to this original lawsuit, and "to make structural changes in the Puerto Rican legal system" (Prof. Emmanuelli Jiménez (2016)¹. Add to the above that the Board's mission is to work with the people and government of Puerto Rico to create the foundation for sustainable economic growth and restore opportunity for the people of Puerto Rico. Certainly, it is impossible to achieve the economic restructuring that has been so much sought after without addressing the serious and real problem of the «JUDICIAL CORRUPTION», at the expense of a people crushed by the effects of corruption, misgovernment, poverty, unemployment, and - most recently - a global pandemic. *In re Jackson Sanabria*, 97 DPR 1 (1969). *Feliciano Rosado v. Matos*, 110 DPR 550 (1981). *In re Hernández Enriquez*, 115 DPR 472 (1984). *In Re Miranda Rivera*, 141 DPR 94 (1996). *In re Martínez*, 151 DPR 519 (2000). *In re Castro Colón*, 155 DPR 110 (2001). *In re López Morales*, 184 DPR 334 (2012). *In re Aprob. Rs. y Com. Esp. Ind.*, 184 DPR 575 (2012). *In re Acevedo Hernández*, 194 DPR 344 (2015). *Pueblo v. Acevedo López*, 195 DPR 357 (2016). *In re Benereo García*, 2019 TSPR 82.

b. Sec. 701- The PROMESA also contains a final Title VII, with a single section, which seems very general and ambiguous, but which, in detailed analysis, by experts, may be a threshold of hope for the solution of other problems that affect the economy, health, security of the Town. Said Title VII literally provides: TITLE VII—SENSE OF CONGRESS REGARDING PERMANENT, PRO-GROWTH FISCAL REFORMS SEC. 701. SENSE OF CONGRESS REGARDING PERMANENT, PRO-GROWTH FISCAL REFORMS. It is the sense of the Congress that any durable solution for Puerto Rico's fiscal and economic crisis should include permanent, pro-growth fiscal reforms that feature, among other elements, a free flow of capital between possessions of the United States and the rest of the United States. In what is pertinent, we quote *ad verbatim* the words of the Prof. Emmanuelli² (2016):

"The 'sense of Congress' of Section 701 should be read as an intention or legislative opinion regarding the type of general reforms that they understand should be

implemented in Puerto Rico, but a specific legislative will is not expressed regarding what this specifically translates to. It should be noted that the text of the law does not even include the business zones that Representative MacArthur mentioned in Committee. The Section's language allows for a wide margin of discretion and interpretation based on this scant information. Therefore, there is no guarantee that it will serve as a binding criterion when determining the fiscal measures to be implemented, since it will depend on the interpretation given by the officials related to the Law, particularly the Supervisory Board".

- c. 301(a)- Now the Government cannot be sued, which means double impunity for the kidnapping judges and their accomplices by action, omission or cover-up. The referred Title III of PROMESA provides in its Section 301(a) the application, among others, of Sections 362 and 922 of Title 11 of the Federal Bankruptcy Code. Thus, the filing of the bankruptcy petition has the immediate and direct "effect of paralyzing" [automatic stays] any civil action that any natural or legal person has initiated, attempts to continue or from which they request the payment of a judgment against the Government of Puerto Rico and its instrumentalities, while bankruptcy proceedings are pending before the federal court. 11 USC sections. 362(a), 922(a); 48 USC sec. 2161(a). *Marrero Rosado v. Marrero Rosado*, 178 DPR 476, 491 (2010); *Morales v. Clínica Femenina de P.R.*, 135 DPR 810, 820 (1994).
 - d. Art. IV, Sec. 3 of the Federal Constitution- Eagerly expecting to find justice, the claimant appears with the purpose of framing his cause of action within the guarantees of the PROMESA Law and its BOARD, whose powers are so broad, since "Puerto Rico is not a sovereign, but under the constitutional scheme of the United States it is a territory subject to the power of the territorial clause of Art. IV, Sec. 3 of the Federal Constitution", *People v. Sanchez*, 193 DPR 594 (2020). *Commonwealth of Puerto Rico v. Franklin California Tax-Free Trust*, Et AL., 136 S. Ct. 1938 (2016); *Puerto Rico vs. Sanchez Valle*, 136 S. Ct. 1863 (2016). *So that those who have jurisdiction over PROMESA, recognize in this complex legal controversy that involves the life, liberty and property of the minor L.A.R.F., it only represents "some of the questions that require to be addressed in this NOVEL LEGAL AND POLITICAL FRAMEWORK WHICH HAS UNSUSPECTED EFFECTS on the political organization of the territory, the rights, and the lives of millions of American citizens residing in Puerto Rico." *Perez Diaz v. ALS*, et al, 2017TA1870. Especially when "the domain of the Board is in all the INCIDENTAL POWERS that it has to achieve balanced budgets and that Puerto Rico improve its fiscal situation." Therefore, such sovereignty "CANNOT BE REDUCED TO A NEGOTIATION BETWEEN CREDITORS AND DEBTORS," supra, when there are other larger problems that destroy the People of Puerto Rico, and where relevant we quote: "*Pursuant to section 212, the PROMESA, the Board may also intervene in any litigation filed against the territorial government and request cease and desist orders, including stay of proceedings*". (Prof. Emmanuelli Jiménez).
4. There are other voices crying out for HELP AND JUSTICE. Namely, the cries of CHILDREN, —the most vulnerable legal subjects of society, and that in the courts, with increasing frequency,

are SACRIFICED to the god MOLOCH!³ of the egoism of the powerful and untouchables of the country, on the altar of the interest of power and money, whose ardent fire of corrupted honor silences their screams and the cries of the CHILDREN and their "MOTHERS" with frightful cruelty, even though it develops in the purest and diaphanous legality. The «SATANIC TRINITY» lives on! It is embodied in spirit and action in the GENDER IDEOLOGY and its corollaries, such as «JOINT CUSTODY», mercilessly destroying the most sacred ties to the human heart: the mother-child relationship. A MOTHER'S LOVE IS THE MOST SUBLIME MANIFESTATION OF ABDEATION ON EARTH. CHRIST "WAS" AND "IS" THE SELF-SCRIBING IN PERSON. "All who follow CHRIST will wear the crown of SACRIFICE. Satan will combat the principle of SELF-SERVICE wherever it manifests itself" (DTG, p. 144)⁴. War against MOTHER is war against «CHRIST»! Thus, the war against the MOTHER is a war against religious liberty, and we quote:

"The king on his throne has no work superior to that of the «MOTHER». This is the queen of his family. It is up to her to model the character of her children, so that they are suitable for the superior and immortal life. An angel could not ask for a higher mission; because while he performs this work the MOTHER «IS SERVING GOD»"⁵.

5. Recently, this JOINT CUSTODY REGIME was glorified in the new Civil Code 2020 with its inclusion in Arts. 602-606, although over the years it has proven to be extremely oppressive because, among other things, it restricts the right of parents to make decisions closely related to parenting style and RELIGIOUS BELIEFS. As well as attacking the roles of men and women, lashing out with special viciousness against the preferential role of the «MOTHER». Said regimen is not only attributed to the mother, with the fury of a misogynist-feminism⁶, but it was implemented by laws⁷ that give content and expression to the old forms of adoration of the SUN god. Now turned into public policy, sustained by the public treasury, the legal instrument of such a violent religion is the "JOINT CUSTODY REGIME", an aspect of GENDER IDEOLOGY. This implies an implicit threat of a state regulatory intervention, which is imposed as "the first option", and which, in effect, promotes an attack against mothers

⁶López Badillo, Article- "Violent femmes", January 1, 2010, Revista Ley y Foro del Colegio de Abogados de Puerto Rico, 2010_2RLF32. A discourse that is distinguished because it arises from nothing more and nothing less than women against women (nothing to do with the Mecano song), and which I call "intra-female violence". Intra-female violence is a type of violence, passive, aggressive, psychological, emotional or moral, which manifests itself as mistreatment of a woman by another woman.

⁷Micro.juris News- The Department of Justice proposes that the penalty for mistreating a minor through CONVERSION THERAPY should not be a fixed term of five years. Instead, they are proposing that a range be established in the term of imprisonment. That is to say "from so many to so many years" *so that the Judiciary may have discretion in setting the penalty. May 13, 2021.

that is concretized in the following words: AND I WILL TAKE YOUR CHILDREN AWAY!
AND I WILL TAKE AWAY YOUR CHILDREN!⁸

6. CHILDREN, in the flower of their purity and innocence, are always the most SACRIFICED on the altar that devours. Child sacrifice NEVER STOPPED⁹. We no longer throw them into the fire, but into the flames of ideological experiments like «GENDER IDEOLOGY» that fuel evil and horriy any sane mind. JOINT CUSTODY is an example of them, "being outside all logic of protection and natural and altruistic affection towards children, as well as the maintenance and continuity of a society" that protects the marriage pact. The time they spend with their children is of value to them only to the extent that they can benefit for themselves. Namely, the reduction or exemption of the maintenance obligation under the pretext of JOINT CUSTODY. "He will think to change times and laws" (Daniel 7:25). More here a new manifestation of "CHILD TRAFFICKING FOR FOOD PENSION" can be seen. "Given the dynamic and changing nature of "CHILD TRAFFICKING" (and its responses) [...]". This is what the ILO, UNICEF and the United Nations Global Initiative to Fight against TRAFFICKING IN PERSONS (UN.GIFT) warn in the Training Manual to combat TRAFFICKING IN CHILDREN for labor purposes of September 15, 2009 Such a definition now imposes a numerus apertus list to identify and stop the new forms of CHILD EXPLOITATION FOR TRAFFICKING, as in the present case.

C. ORIGINAL CLAIM:

7. Failing the above, on April 27, 2018, Ms. Feliciano Rosado delivered the "Proof of Claim" in person at the Añasco, Puerto Rico (See Annexes 2018, April 27, 2018, p.), Delivery Center of the Bianca Building, which question #6 reads as follows: Do you have a claim against any specific agency or department of the Commonwealth of Puerto Rico? To which Mrs. Feliciano Rosado answered: THE MAYAGÜEZ COURT FOR STEALING MY CHILD FROM ME SINCE DECEMBER 14, 2011. This means that from the beginning it was Ms. Feliciano Rosado's intention to bring to this class action the case of «**LIBERATION OF MINOR L.A.R.F.**», although, in questions 9 and 10, she highlighted as the basis of her claim the "Return of fees illegally withheld" (See question 9), for "Withholding against my will." (See question 10) (See Annexes 2018), against **The Teachers' Federation of Puerto Rico** (hereinafter Federation). Add that in question #13 it was specified that the amount owed by the **Puerto Rico Teachers Association** (hereinafter Association) was not known exactly.
8. It should be noted at this point that Ms. Feliciano-Rosado also presented the pertinent evidence on the same day that she submitted the Proof of Claim, that is, on April 27, 2018 (See Annexes, 2018). The deadline to make claims of the "creditors" of any of the "debtor" or "debtors" of the Commonwealth of Puerto Rico, under section 304(a) of PROMESA, initiating under Title

III cases under PROMESA (each, a "Debtor" and collectively, the "Debtors"), was dated May 29, 2018. In pertinent part, we quote from the order of February 15, 2018 issued by the Federal Court with the title "NOTICE OF DEADLINES FOR THE FILING OF PROOFS OF CLAIM", and which was sent to the potential debtors, Section 1 "The Bar Dates", subsection (a) "General Bar Day", which reads as follows:

"4:00 p.m. (Atlantic Standard Time) on May 29, 2018, is the deadline (the "General Bar Date") for filing proofs of claim (as defined in Bankruptcy Code 101(5)), against the Debtors on account of (i) claims arising, or deemed to have arisen, prior to the respective commencement dates for their Title III Cases, including, for the avoidance of doubt, bond claims and claims arising under Bankruptcy Code section 503(b)(9), and (ii) claims, asserted by governmental units (as defined in Bankruptcy Code section 101(27))"...

*The date of May 29, 2018 constitutes an essential fact in the case in question.

9. Years passed, on October 4, 2021, she personally delivered the «VOTING BALLOT» in the center of Añasco, Puerto Rico (See Annexes 2021), documents referred to with a red puncher that reads **COPY**, 4/Oct./2021). In addition, the Movant also presented additional and voluminous evidence that inevitably goes back to the facts of the case in question, to the causes of his premature and forced retirement, since the aggressor entity that subverted the authority against the victims (the mother and her son) is the State itself, in the exercise of its judicial function.
10. Even so, those who have jurisdiction over PROMESA dismissed Ms. Feliciano-Rosado's claim on the basis that we cited *ad verbatim*: "Treatment: Claim to be Disallowed. Reason: *Proof of claim was not timely filled, as claimant filled the claim after the applicable deadline set by the Bar Date Orders. Asserted Claim Amount \$0.00". (See Annexes 2022, document entitled "If your Claim is Listed Here, One Or More of the Debtors Are seeking to Disallow Your Claim for the Reason Listed Below", with a copy of the envelope postmarked by the mail of 9 February 2022). It turns out that the Court had sent a card with an acknowledgment of receipt entitled: "PRIME CLERK RECEIVED YOUR PROOF OF CLAIM", dated November 5, 2021. This proof of receipt card is irrefutable proof that the evidence did reach the hands of those who have jurisdiction over PROMESA within the established period. (See Annexes 2021, of November 5, Prime Clerk Received Your Proof of Claim, Date Filed: 10/189/2021, Proof of Claim 179662).
11. The petitioner has always been prevented from setting a specific amount for the claim, because she was never informed of the exact amount owed to her by the Federation for the fees illegally withheld, counting from August 1999 to May 2007, approximately. It should be noted that from June 2007 to December 2010, Ms. Feliciano-Rosado was studying Law under three (3) unpaid leaves of absence for studies granted by the D.E. On the other hand, the Association also did not fulfill its promise to pay back, with accrued interest, for the fees illegally withheld after having prevailed in court against the Federation in a class action lawsuit. Such a promise was the main reason for Ms. Feliciano-Rosado to affiliate with the Association in August 2011, and under the promise that it would free her from the yoke of compulsory membership of the Federation.

12. In effect, the debt for the refund of fees illegally withheld against the D.E., the government entity that finally made the corresponding payments to the teachers of Puerto Rico, by virtue of the class action lawsuit in that sense, constitutes the original cause by which Ms. Feliciano-Rosado entered the PROMESA class action, 48 USC secs. 2101 et seq, as of April 27, 2018. But it is also true that from the beginning the petitioner brought the KIDNAPPING OF HER SON, perpetrated by State agents, to the attention of the that have jurisdiction over PROMESA (See "Proof of Claim, Modified Official Form 410"). Especially when the Association refused to return the money that corresponded to her as a punishment mechanism for her sudden disaffiliation, back in 2012, and just in the period in which the payments in question were made. Thus, both the Association and the D.E. ruthlessly denied Ms. Feliciano-Rosado the payments that corresponded to her. This even when the *prima facie* evidence establishes that she was affiliated with the first and was listed as an employee of the second, during the scheduling period when the collective action against the Federation was carried out (See Annexes). Therefore, the Association received from the Secretary of the Treasury the amount of the affiliation premiums by discounting the payment of the monthly check of Mrs. Feliciano Rosado.
13. In this way, the Association totally disregarded the chaotic situation that Mrs. Feliciano was facing, consisting of the "ILLEGAL SEIZURE OF HER SON" from the maternity home, in unison with his first (1st) illegal and unjust incarceration, which is nerve-wracking (from 14 as of December 23, 2011) (See Annexes). Failing the foregoing, the petitioner's request to disaffiliate the Association was not due to frivolity or disloyalty, but rather due to sudden insolvency. The mediate cause for the disaffiliation and forced retirement of Ms. Feliciano-Rosado was «THE STOLEN OF YOUR CHILD».

D. MAIN PURPOSE OF THE OBJECTION:

14. Certainly, this case establishes a bad precedent for the "Rama Judicial de Puerto Rico". The core issue of the present controversy, which is complicated in its simplicity, since it is no longer a case but a cause of LIBERATION AND HUMAN RIGHTS, so provocative that it causes a "shock" to the conscience of the Puerto Rican People by reflecting a seriousness that violently disrupts the pillars of integrity and justice of our «MAGISTRACY», regarding the verification of the appalling cruelty that they still unjustifiably keep the minor L.A.R.F., today youth-adolescent, as hostage, FOR EXPLOITATION FOR THE PURPOSES OF INVOLUNTARY SERVITUDE DUE TO OTHERS' FOOD PENSION DEBT AGAINST HIS "MOTHER", FOR A NEW MODALITY OF TRAFFICKING IN MINORS IN THE TERRITORY OF THE GOVERNMENT OF THE COMMONWEALTH OF PUERTO RICO (HEREINAFTER CHILD TRAFFICKING OR TRAFFICKING IN MINORS FOR CHILD SUPPORT), which is quite difficult to stop. This is because, among other things, the International Convention for the Protection of All Persons from Enforced Disappearances (ICPPED), and other international instruments, were not designed to deal with this type of case.
15. There is no doubt that these facts configure the elements of Article 159 INVOLUNTARY SERVITUDE OR SLAVERY, of the New Penal Code 2012, which was repealed by Senate Bill 1685 amending the Penal Code of Puerto Rico 2012, signed as Law 159-2020 of December 28, 2020 in the 7th Extraordinary Session, effective immediately. Inasmuch as the minor is

arbitrarily deprived of his liberty within the spirit of local laws and international conventions applicable to the crime against humanity of ABDUCTION, counted from December 14, 2011, with his eventual FORCED DISAPPEARANCE, counted from May 13, 2013 until today. *And, which, as recently as March 2017 is being financed and, in effect, perpetuated with the discounting of the alleged mother-feeder's monthly SRM retirement pensions, which is confiscatory and illegal. This means that the Administration for the Support of Minors (ASUME) is sending the money payments, with the method of direct payment of alimony, allegedly in favor of the minor L.A.R.F., to an "UNKNOWN PARADERO" outside the E.L.A. and its territories (2017-2022), with the concomitant concealment of the whereabouts of the latter, thus subtracting her from the law and following a pattern of organized crime, *Pueblo v. Meliá*, 143 DPR 708 (1997), with Judge Mariluz Cruz Morales of the Humacao Court.

16. The crucial objective of this MOTION is to GIVE VOICE, as a CRY FOR HELP!, to the young-adolescent [REDACTED] who, under the particular circumstances of this case, is still a victim of the atrocious crimes of KIDNAPPING AND ENFORCED DISAPPEARANCE (2011-2022) NOT recognized by the State, which a priori denies it justice. Especially when which is being perpetrated and perpetuated by the criminal group of the Mayagüez Court and the brother Court of Humacao, in ruthless confederation with the Administration for the Support of Minors (ASUME for its acronym in Spanish), which we call «**MAFIA**». Reason why this mother-complainant, without being a human rights activist, who was taken out of her career by **RIPPING HER SON** away from her, and with it her lifestyle and her joy of life, raises her voice against «**JUDICIAL CORRUPTION**».

17. And she appear before the 1st Circuit of Boston to BEGGING as a MOTHER, *the new bad word of GENDER IDEOLOGY that is a challenge to the THRONE OF GOD, and a blatant violation of the RIGHT TO BE «**M A D R E**», "*a fundamental right and of higher constitutional hierarchy than the right of property*", *Stanley v. Illinois*, 405 U.S. 645 (1972). Indeed, the right to be a «**MOTHER**», from which the right to affective property over children unfolds, the most sacred ties to the human heart, must be elevated to constitutional status to protect other MOTHERS AND CHILDREN in the same situation. This is due to the restrictive and exclusive interpretation of motherhood and child rearing, which establishes a new type of «**CHILD TRAFFICKING**» prosecuted as a Law, and impermissible discrimination against women on the basis of sex, thus denying them equal protection of laws, *People v. Rivera*, 133 DPR 444 (1993), *Wackenhut v. Rodriguez*, 100 DPR 518 (1972); *Zachry International v. Court*, 104 DPR 267 (1975); *Women's Commission v. Secretary*, 109 DPR 715 (1980); *Milan vs. Munoz*, 110 DPR 610 (1981). *People v. Rivera*, 133 DPR 444 (1993), *Wackenhut v. Rodriguez*, 100 DPR 518 (1972); *Zachry International v. Court*, 104 DPR 267 (1975); *Women's Commission v. Secretary*, 109 DPR 715 (1980); *Milan vs. Munoz*, 110 DPR 610 (1981).

18. Causes restlessness and terror, that Puerto Rican women no longer have the preferential role in parenting. It is an authentic fact that in the Family Rooms, for adopting the Gender Ideology as a public policy, emboldened in their heretical and frantic dogmatism with the «**JUDICIAL CORRUPTION**» that already exists, and in their daily life, of a routine that is chilling "normality", **THEY TAKE CHILDREN FROM THEIR JUST MOTHERS** with "the ease that eggs are taken from the hen" (George Orwell (1949), or they separate her from them, or the

breadth of her influence and indispensability is counteracted with infernal audacity Worse still, the MOTHER is sent to jail allegedly for the food obligation, when the provider, by law of nature, IS THE MAN, NOT THE WOMAN! Despite the alarming cases of CHILDREN WHO ARE TAKEN FROM THEIR MOTHERS by the macabre experiment of GENDER IDEOLOGY, there is no obvious sense of urgency surrounding these tragedies. Embarrassingly, the State continues to imprison more women, allegedly for CHILD-SUPPORT debt, in an institutional "FEMINICIDE"¹⁰, which It is one of the biggest mistakes in the country. It has been shown that "incarceration is more detrimental to women than to men because of the harm children suffer when their [...] mothers are sent to prison".

19. In Puerto Rico, they no longer allow us to be mothers. The mother is the one who raises her children. No argument is needed to establish this TRUTH; because we feel it in our own heart and in the CONSCIOUSNESS. It was that feeling of maternal conscience that led Janet Viera Grau to unease and anxiety on January 17, 2021¹¹, the mother from Vega Baja who committed suicide for reasons of the removal of her two (2) children for discrimination due to disability due to deafness and old lady She found no relief; she could not be content with such a fundamentally unfair court decision. It is "Rachel who mourned for her children, and she would not be comforted about her children [...]" (Jer. 31:15).
20. To add insult to injury, the « JOINT CUSTODY REGIME» was glorified in the new Civil Code 2020 with its inclusion in Arts. 602-606, although over the years it has proven to be extremely oppressive because, among other things, it restricts the right of parents to make decisions closely related to parenting style and RELIGIOUS BELIEFS. As well as attacking the roles of men and women, lashing out with special viciousness against the preferential role of the «MOTHER». Said regimen is not only attributed to the mother, with the fury of a misogynist-feminism¹², but it was implemented by laws¹³ that give content and expression to

¹⁰Russell Diana, initial promoter of the "FEMINICIDE" concept, explained that "femicide represents the extreme of a continuum of anti-feminine terror that includes a wide variety of verbal and physical abuses, such as rape, TORTURE, sexual slavery (particularly by prostitution), incestuous or extra-familial child sexual abuse, physical and emotional beatings, among others." Several countries have included it as a crime in their criminal legislation, with variations in the criminal type. The word was included in the Dictionary of the Spanish language in 2014. Wikipedia.

¹¹Endi.com, El Nuevo Día, Noticia: "El silencioso infierno de Janet Viera, una madre sorda que se quitó la vida en Vega Alta", Su tragedia subraya los obstáculos que enfrenta la comunidad sorda en la isla, 22 de enero de 2021. <https://www.elnuevodia.com/noticias/locales/notas/el-silencioso-infierno-de-janet-viera-una-madre-sorda-que-se-quito-la-vida-en-vega-alta/>

¹²López Badillo, Article- "*Violent femmes*", January 1, 2010, Revista Ley y Foro del Colegio de Abogados de Puerto Rico, 2010_2RLF32. A discourse that is distinguished because it arises from nothing more and nothing less than women against women (nothing to do with the Mecano song), and which I call "intra-female violence". Intra-female violence is a type of violence, passive, aggressive, psychological, emotional or moral, which manifests itself as mistreatment of a woman by another woman.

¹³Micro.juris News- The Department of Justice proposes that the penalty for mistreating a minor through CONVERSION THERAPY should not be a fixed term of five years. Instead, they are

the old forms of adoration of the SUN god. Now turned into public policy, sustained by the public treasury, the legal instrument of such a violent religion is the "JOINT CUSTODY REGIME", an aspect of GENDER IDEOLOGY. This implies an implicit threat of a state regulatory intervention, which is imposed as "the first option", and which, in effect, promotes an attack against mothers that is concretized in the following words: AND I WILL TAKE YOUR CHILDREN AWAY! **AND I WILL TAKE AWAY YOUR CHILDREN!**¹⁴

21. Children are the «CURRENCY OF TIME» of profane trafficking, consisting, among other reasons, in calculating for the benefit of child-support-evaders THE TIME THEY SPEND with their children, which gives the JOINT CUSTODY a combative spirit. Shared, daughter of GENDER IDEOLOGY. Thus, creating a new modality of «HUMAN TRAFFIC FOR THE CHILD SUPPORT» that fuels «JUDICIAL TERRORISM» AND «JUDICIAL CORRUPTION» against mothers and their children. The children are the «CONSUME SALES» required by the PROMESA law as a sine qua non-requirement to frame and articulate our case within the objectives of said law. In this case, it turned out that, as a phenomenon *in situ* (as an on-site phenomenon), said crime against humanity ended up being covered by the illegal confiscation of the pension of a public employee, Ms. Feliciano Rosado, who was forced to retire prematurely under the Teachers Retirement System of Puerto Rico (S.R.M. for its acronym in Spanish), precisely because of the devastation caused in his life by the «TAKING OF THE MINOR HOSTAGE», as punishment for having denounced a judge after inventing a sentence that does not exist in law to force the preferred result. However, the KIDNAPPING AND FORCED DISAPPEARANCE OF A CHILD, perpetrated by corrupt judges and court officials of the "Rama Judicial de Puerto Rico", who protect each other, does not meet the outlined standards that conform to the current typology. The truth is that the State does not recognize the crimes committed against the minor, which *a priori* denies him justice. A nightmare that never ends!

22. LET, WE BESEECH THEE, OUR SUPPLICATION BE ACCEPTED before the **UNITED STATES COURT OF APPEALS FOR THE FIRST CIRCUIT**, so that PROMESA may become a threshold of hope for the victims of the rampant JUDICIAL CORRUPTION that exists in Puerto Rico. Add to the above that 2 Peter 3:13 says: "*Nevertheless we, according to his PROMISE, look for new heavens and a new earth, wherein dwelleth righteousness*".

Respectfully submitted,

Maira Ivet Feliciano Rosado

PROMESA

Title III

No. 17 BK 3283-LTS

(Jointly Administered)

ORDER CONCERNING APPLICATION FILED BY MAIRA I. FELICIANO ROSADO

The Court has received and reviewed the *Application to Proceed in District Court Without Prepaying Fees or Costs* (Docket Entry No. 20359 in Case No. 17-3283, the "Motion"), filed by Maira I. Feliciano Rosado, which the Court deems to be a motion for permission to proceed in forma pauperis with respect to Ms. Feliciano Rosado's appeal of the Court's ruling reclassifying proof of claim no. 10547 (the "Proof of Claim") as a general unsecured claim. (See Docket Entry No. 20358 in Case No. 17-3283, the "Notice of Appeal").

Ms. Feliciano Rosado's Proof of Claim form asserts that her claim is entitled to administrative priority pursuant to 11 U.S.C. § 503(b)(9) and is secured in whole or in part by a lien on property. At the February 16, 2022, hearing concerning the Debtors' objections to certain proofs of claim, the Court made the following ruling concerning the proof of claim filed by Ms. Feliciano Rosado:

I have reviewed the written submissions, and listened very carefully to everything that has been said today. I am terribly sorry to hear

ORDER OF COURT

Entered: May 11, 2022
Pursuant to 1st Cir. R. 27.0(d)

Claimant-Appellant Maira I. Feliciano Rosado filed a notice of appeal (No. 20358) in Title III case No. 3:17-bk-03283-LTS (D.P.R.) challenging the Title III court's February 16, 2022 hearing decision to reclassify claim No. 10547 as a general unsecured claim (Nos. 20164, 20167), as well as appears to challenge the Financial Oversight and Management Board for Puerto Rico's 414th omnibus objection (No. 20040) listing claim No. 179662 as an untimely claim. Upon review of the record, it appears that this court may not have jurisdiction to consider this appeal as the February 16, 2022 hearing decision to reclassify claim No. 10547 as a general unsecured claim may not be a final, immediately appealable decision. See 48 U.S.C. § 2166(e); In re Perry, 391 F.3d 282, 285 (1st Cir. 2004) (stating that an order must finally dispose of all the issues pertaining to the discrete dispute); see also Giles World Marketing, Inc. v. Boekamp Mfg., Inc., 787 F.2d 746, 748 (1st Cir. 1986) (holding that a decision allowing the filing of a proof of claim does not conclusively determine the discrete dispute as it neither allowed the claim nor determined the amount owed). Further, it appears the 414th omnibus objection remains pending as to claim No. 179662. 48 U.S.C. § 2166(e) (permitting appeals from decisions, orders, and judgments entered by the district court).

The appellant is ordered to move for voluntary dismissal of the appeal pursuant to Fed. R. App. P. 42(b), or to show cause, in writing, why this appeal should not be dismissed for lack of jurisdiction. The failure to take action by May 25, 2022, will lead to dismissal of the appeal for lack of diligent prosecution. 1st Cir. R. 3.0(b).

	Reason: Proof of claim purports to assert liabilities associated with unpaid unemployment benefits from the Department of Labor (DOL). The books and records of the DOL, however, show that the claimant was deemed ineligible in 2016 and, upon appeal within the DOL, the DOL confirmed the claimant's ineligibility. Claimant did not appeal this decision and the claim and/or supporting documentation do not provide any further basis for asserting liability against the Commonwealth or any other Title III Debtor.					
2	FELICIANO ROSADO, MAIRA I CALLE ELENA SEGARRA #154 SECTOR EL MANI MAYAGUEZ, PR 00682	5/3/2018	17 BK 03283-LTS	Commonwealth of Puerto Rico	10547	Undetermined*
	Reason: Proof of claim purports to assert liabilities associated the Commonwealth of Puerto Rico, but the claim and/or supporting documentation do not provide any basis for asserting liabilities against the Commonwealth of Puerto Rico or any other Title III Debtor.					
3	GOLDMAN SACHS BANK USA (F/K/A GOLDMAN SACHS CAPITAL MARKETS, L.P.) NICK VAN DUSEN (GOLDMAN SACHS BANK USA) 200 WEST STREET NEW YORK, NY 10272-2195	5/25/2018	17 BK 03283-LTS	Commonwealth of Puerto Rico	44253	\$ 3,606,830.47*
	Reason: Proof of Claim and supporting documentation assert liabilities associated with an interest rate swap agreement between the claimant and COFINA. Pursuant to the Amended Order and Judgment Confirming the Third Amended Title III Plan of Adjustment of Puerto Rico Sales Tax Financing Corporation [ECF No. 5055] (the "COFINA Plan") and the Stipulation and Order with Respect to (A) Rejection of Swap Agreement Between Goldman Sachs Bank USA and Puerto Rico Sales Tax Financing Corporation, (B) Relief from Stay With Respect to Cash Collateral and (C) Allowance and Treatment of Claim [ECF No. 576, Case No. 17-3284], the claimant's agreement with COFINA was rejected and its claim against COFINA was treated pursuant to the COFINA Plan. Following confirmation of the COFINA Plan and approval of the settlement of the Commonwealth-COFINA Dispute, the claim and supporting documentation do not provide a basis for asserting liability against the Commonwealth of Puerto Rico.					
4	RODRIGUEZ NUÑEZ, JESSICA PO BOX 367191 SAN JUAN, PR 00936-1191	5/29/2018	17 BK 03283-LTS	Commonwealth of Puerto Rico	28239	\$ 1,000.00*
	Reason: Proof of claim purports to assert liabilities associated with a Commonwealth program for reimbursing minor damage to vehicles caused by roads. The books and records of the office of Services to the Citizen within the Puerto Rico Department of Transportation and Public Works (DTOP) show, however, that the claimant did not properly execute and file a claim form within the required statutory period in order to be eligible for payment, and the period to file a claim has elapsed. The claim and supporting documentation do not provide any further basis for asserting liability against the Commonwealth or any other Title III Debtor.
